In the event that such death, resignation, removal or otherwise is that of the Outside Director who is a financial expert, the Board shall timely fill such vacancy.

500.5 Notwithstanding the foregoing subsection or any other provision of these Bylaws, in addition to the eight (8) Elected Directors and one (1) Outside Director that is a financial expert, there may be two (2) additional members of the Board who are Outside Directors; provided however, the directors elected by the Voting Stockholders shall constitute at least 60 percent of the members of the Board. Such persons shall be selected and appointed to the Board by other members thereof (other than the Outside Director seeking reappointment). The qualifications, manner of nomination and selection, and related matters shall be determined from time to time by other members of the Board. The Board shall at all times have at least one (1) Outside Director who shall have financial expertise,

including, but not limited to, education or experience in: accounting, internal accounting controls, or preparing or reviewing financial statements for financial institutions or large corporations consistent with the breadth and complexity of accounting and financial reporting issues that can reasonably be expected to be raised by the Association's financial statements. The term and bases for removal of an Outside Director shall be the same as the Elected Directors. An Appointed Director shall be selected and appointed to the Board by other members thereof (other than the Appointed Director seeking reappointment). The qualifications, manner of nomination and selection, and related matters shall be determined from time to time by other members of the Board. The term and bases for removal of an Appointed Director shall be the same as those for Elected Directors. In addition, an Appointed Director shall be automatically removed from the Board if he or she becomes a director, officer, employee or agent of any System institution (other than a director of FCB, PCA or FLCA) or is no longer a Voting Stockholder in the Association.

510.1 In the manner provided in these Bylaws, the Voting Stockholders shall elect each year one or more directors as may be required to fill the position of each Elected Director whose term is expiring or to fill any vacancy on the Board.

510.2

- a. At the annual meeting, the nominating committee shall submit the slate of candidates for election, after which the chairman conducting the election will entertain nominations from the floor. If the meeting is held in consecutive sectional sessions, nominations may be made from the floor only at the first sectional session and so announced in the notice of the meeting, except that if balloting is by mail as provided in Section 510.5 of these Bylaws, nominations may be made at all sectional sessions of the meeting.
- b. Both nominators and nominees must be Voting Stockholders. Any Voting Stockholder desiring to nominate a candidate for director from the floor at a voting session of the Stockholders shall be responsible for providing in paper or electronic form such nominee's biographical and disclosure information as required by law, Regulations and these Bylaws at such session; provided, however, if voting shall not occur at such session, such nominee's biographical and disclosure information must be received by the Association no later than three (3) business days of the nomination. Disclosure information forms will be available at the Association's corporate office for any potential floor nominee consideration and at the Annual Meeting.
- c. Upon receiving a floor nomination, the annual meeting process will be stopped until eligibility is determined. A floor nominee may only be nominated for the Elected Director position assigned to the nominee's geographical region as set forth in Section 510.3. The nominee's biographical, and disclosure information (if available), will be immediately reviewed by the Association's chief executive officer or designee and due diligence performed to determine eligibility. After eligibility is determined, the meeting will proceed.
- d. After receiving a floor nomination, the floor nominee must state if he or she accepts the nomination for election to the Board. Nominations from the floor do not require a "second"

before being placed on a ballot, although the chairman conducting the meeting, in his sole discretion, may permit Voting Stockholders to second a nomination to show support.

- e. Following the annual meeting, if the floor nomination is elected to the Board at the annual meeting and information not available at the annual meeting deems the newly elected director ineligible, the director shall be immediately removed from office and the position filled per Section 530 of these Bylaws.
- f. The requirements for a floor nomination of candidates for election to the Board shall be included in the Association's information statement as well as in the notice provision for any director elections.

All candidates shall be listed on the ballot by the position to be filled. Voting Stockholders with out-of-territory loans shall be assigned to the Region that his or her branch office serves. Except as provided in Section 440.4 of these Bylaws, two or more different candidates shall stand for election for each vacancy. If more than one position is to be filled, the election with respect to each position shall be conducted independently. The candidate receiving the largest number of votes for each position shall be declared elected.

If the meeting is held in consecutive sectional sessions, the results of the votes cast at all sessions of the meeting shall be reported only after the last sectional session.

shall be closed at the end of the 20th business day following the date on which the ballots are mailed to the eligible Voting Stockholders. Within ten (10) business days after the polls are closed the ballots shall be counted. The Association may utilize an independent third party for validating and tabulating all ballots timely received or the Association may convene the tellers committee in the office of the Association to validate and tally the ballots timely returned to the Association. The tellers committee or independent third party if appointed by the Board shall report the results of the election to the chief executive officer who shall send a notice to the Members announcing the results of the election.

- c. If no person is elected to a position because of a tie vote, a run-off election between those tying shall be held. The ballots shall be cast and counted and the results shall be reported to the Members in the same manner as in the original election. However, if the tie is between only two candidates and if the candidates agree, the tie may be broken by any other method approved by the Board in advance of the election and announced in the notice of meeting. If the meeting is held in consecutive sectional sessions and the tie is between more than two candidates, the tie shall be broken by reballoting, by mail, those Voting Stockholders who were registered in attendance at the consecutive sectional sessions of the annual meeting. Within 10 business days following the counting of the ballots, the ballots for the run-off shall be mailed. The election polls shall be closed at the end of the 20th business day following the date on which the ballots are mailed to the Voting Stockholders. Within ten (10) business days after the polls are closed, the ballots shall be provided to an independent third party or the tellers committee to tally the ballots timely returned to the Association. of value and time of payment as the Board by resolution deems appropriate, may retire all or any portion of any stock, participation certificates, surplus allocations or other equities held by or in the name of the borrower (with the exception of Class A Preferred Non-voting Stock and Class B Common Non-voting Stock and participation certificates, which are retired in the “ordinary course of business”, as defined by the Regulations.)

860 Impairment

860.1 Any losses which result in an impairment of the Association’s capital shall be borne ratably by, first, each share of Class B Common Non-voting Stock, Class C Common Stock, and unit of Participation Certificates outstanding; second, each share of Class A Preferred Non-voting Stock outstanding, all as of the date such losses are determined.

860.2 Impaired Stock and Participation Certificates shall be restored in the reverse of the sequence set forth in Section 860.1 until each share of Stock and unit of Participation Certificates has a book value equal to the par value or face value respectively.

870 Lien

Except with respect to Stock or Participation Certifications held by other system institutions, the Association, PCA and FLCA, as their interests may appear, shall have a first lien on all Stock and Participation Certificates in the Association owned by any borrower as additional collateral for any indebtedness of such borrower to the Association, PCA and FLCA.

880 Distribution on Liquidation

In the event of liquidation or dissolution of the Association, any assets of the Association remaining after payment or retirement of all liabilities, shall be distributed in the following order of priority:

- a. First, to the holders of Class A Preferred Non-voting Stock until an amount equal to the aggregate par value of all shares of said stock then issued and outstanding has been distributed to such holders,
- b. Second, to the holders of Class B Common Non-voting Stock, Class C Common Stock and Participation Certificates, pro rata

in proportion to the number of shares or units of each such class of stock or participation certificates then issued and outstanding, until an amount equal to the aggregate par value or face amount of all such shares or units has been distributed to such holders;

- c. Third, to the holders of allocated surplus which is evidenced by qualified written notices of allocation, pro rata on the basis of oldest allocations first, until an amount equal to the total account has been distributed to the holders;
- d. Fourth, to the holders of allocated surplus which is evidenced by non-qualified written notices of allocation, pro rata on the basis of oldest allocations first, until an amount equal to the total account has been distributed to the holders;
- e. Fifth, all unallocated surplus accrued after March 31, 1997, shall be distributed to present and former patrons from said date through the date of liquidation on a patronage basis; and
- f. Sixth, any remaining assets of the Association after such distribution shall be distributed ratably to the holders of all classes of stock and participation certificates in proportion to the number or shares or units of such class of stock or participation certificates held by such holders.

All distributions to the holders of any class of stock and/or participation certificate holders shall be made proportion to the number of shares or units of such classes of stock or participation certificates held by such holders. All distributions to holders of allocated surplus shall be pro-rata by year of issuance.

890 Amendment to Capitalization Bylaws

Any amendment to Articles VIII and IX of these Bylaws or to the capitalization Bylaws of PCA or FLCA, other than those of a strictly technical nature not affecting substantive rights, shall not become effective unless approved by Voting Stockholders at a duly authorized meeting of Members. Any amendment authorizing the issuance of preferred stock shall not become effective unless approved by a majority of the shares of each class of equities affected by the preference, voting as a class, whether or not such classes are otherwise authorized to vote.

Article IX Earnings, Surplus, Dividends and Patronage Distributions

900 Capitalization Plan

The Board shall adopt, maintain and amend from time to time, as Board deems appropriate, a consolidated capitalized plan for the Association, PCA and FLCA. The capitalization plan shall be designed to enable the Association to meet the capital adequacy standards established in the Regulations. Subject to these Bylaws, the capitalization plan shall provide for, among other things, the manner in which the Association's Stock and Participation Certificates and allocated equities shall be issued, transferred and retired. In connection with the Capitalization Plan, no dividends shall be cumulated.

910 Application of Earnings or Losses

910.1 At the end of the fiscal year, the Association shall apply its earnings (including patronage allocations and refunds received from the FCB) for such fiscal year in the following order:

- a. to cover operating expenses, including additions to loan valuation reserves as provided by law;
- b. to restore the amount of any impairment of Stock and Participation Certificates as prescribed in Section 860.2 of these Bylaws;
- c. to restore the amount of any impairment of allocated surplus in the reverse order of impairment;
- d. to create and maintain an unallocated surplus as provided in Section 920 of these Bylaws;
- e. to pay dividends on Stock of the Association if authorized pursuant to Section 940 of these Bylaws;
- f. to make patronage distributions if authorized pursuant to Section 950 of these Bylaws.

910.2 In the event of a net loss for any fiscal year, after applying earnings for such fiscal year as provided in Section 910.1(a) above, such loss shall be absorbed: first, by charges to the unallocated surplus account; second, impairment of allocated surplus which is evidenced by

nonqualified written notices of allocation in the reverse order of issuance; third, impairment of allocated surplus which is evidenced by qualified written notices of allocation in the reverse order of issuance; fourth, impairment of Class C Common Stock, Class B Common Non-voting Stock and Participation Certificates, concurrently, and fifth, impairment of Class A Preferred Non-voting Stock.

920 Surplus Accounts

The Association shall create and maintain an unallocated surplus account and may maintain an allocated surplus account. The minimum aggregate amounts of these two accounts shall be as prescribed by the Board of Directors. Except as provided in Section 910, the unallocated surplus account may not be reduced and no part thereof may be transferred to the allocated surplus account.

930 Allocated Surplus Account

930.1 As set forth in the Capitalization Plan, the Association may create, and subject to the Regulations, and Association policy, may maintain an allocated surplus account consisting of earnings held therein and allocated to borrowers on a patronage basis. Allocated surplus may be issued as either “qualified notices of allocation” or “non-qualified notices of allocations,” or both, as those terms are defined under Internal Revenue Code (“Code”) Section 1388:

(a) All allocations in the form of qualified written notices of allocation shall be issued in annual series and shall be identified by the year of issuance. Each such series shall be retired fully or on a pro rata basis, only at the discretion of the Board, in order of issuance by years as funds are available.

(b) All allocations in the form of non-qualified notices of allocation shall be issued in annual series and identified by the year of issuance. Each annual series may be subdivided between two or more classes. Each such series, or class thereof, shall be retired in the discretion of the Board.

In the event of a net loss for any fiscal year, such allocated surplus shall be subject to impairment in the order specified herein, and on the basis of most recent allocations first as provided in Section 910. Only those persons to which allocated surplus may be issued may own such

allocated surplus. Notice of allocations to evidence the amount of earnings distributed to Members shall be given to all participants.

930.2 The Association, PCA and FLCA, as their interest may appear, shall have a first lien and security interest on all surplus account allocations owned by any borrowers, and all distributions thereof, as additional collateral for such borrower's indebtedness to the Association, PCA and FLCA.

930.3 When the debt of a borrower is in default or is in the process of final liquidation by payment or otherwise, the Association, upon approval of the Board, may order any and all surplus account allocations owned by such borrower to be applied against the indebtedness based on its fair value.

930.4 Any surplus allocated to a borrower shall be retired at the sole discretion of the Board. There is no express or implied right granted to a Member to have such allocated surplus retired upon request.

930.5 Upon approval of the Board, any retirement of surplus allocated may be paid, oldest allocations first, in cash, in other forms of available equities or applied against any of the Member's indebtedness to the Association, PCA or FLCA in accordance with Section 930.3. In no event shall such retirement reduce the Association's permanent capital below the minimum required by Regulations. Retirements of less than the full amount of "qualified" allocations issued in the same series shall be on a pro rata basis. Any part of a surplus allocated distribution in stock to one Member that is less than the par amount of one share may be held by the Association and included with subsequent shares of Class A Preferred Non-voting Stock or Class B Common Non-voting Stock.

930.6 A record of the holders of allocated surplus shall be kept and maintained by the Association. Allocations of "qualified" amounts will be maintained separately from the allocations of "non-qualified" amounts. Such surplus accounts shall be transferable only to the Association or to an eligible Member of the Association in the manner established by the Board, and no transfer thereof shall be binding upon the Association unless so transferred on the books of the Association.

940 Dividends

- 940.1 The Board, at its sole discretion, may declare dividends on the Stock and Participation Certificates of the Association; provided, however, that no dividend shall exceed eight percent (8%) per annum of the par value of the respective Stock and Participation Certificates. Such dividends may be paid on Class A Preferred Non-voting Stock alone or on all classes of Stock and Participation Certificates. No dividends may be paid on Class B Common Non-voting Stock, Class C Common Stock and Participation Certificates during any fiscal year with respect to which the Association has obligated itself to distribute earnings on a patronage basis pursuant to these Bylaws. The rate of dividends paid on Class B Common Non-voting Stock, Class C Common Stock and Participation Certificates shall be the same for any fiscal year. All dividends shall be paid on a per share or unit basis and without preference between classes of common stock and participation certificates. Dividends on common stock and participation certificates shall be noncumulative.
- 940.2 Dividends may be paid to holders of record on the effective date of the declaration, provided the Stock or Participation Certificates were outstanding for at least thirty calendar days prior to the effective date of the declaration.
- 940.3 Dividends on Stock and Participation Certificates may be paid in cash, Class A Preferred Non-voting Stock, Class B Common Non-voting Stock, or partly in cash and partly in stock, except that dividends on Stock held by the FCB shall be paid in cash. If any part of such dividends payable in Stock to one borrower are less than \$5, the dividends may be distributed in cash or held by the Association and accumulated with subsequent dividends until the retained dividends equal \$5, so that the dividends may be distributed as one whole share of Class A Preferred Non-voting Stock or Class B Common Non-voting Stock.
- 940.4 Dividends on Class A Preferred Non-voting Stock shall be paid in accordance with, and subject to, the resolution authorizing the issue of such Class A Preferred Non-voting Stock.
- 940.5 Any dividend that is declared by the Board on capital stock or participation certificates and distributed by the Association shall not reduce the net earnings from business done with or for Patrons for the year of distribution as defined in Section 950. Such dividends are in addition to amounts otherwise payable to Patrons which are derived from business done with or for Patrons during the fiscal year.

950 Patronage Distributions.

950.1. Patronage Resolutions - Subject to the provisions of the Act and Regulations, prior to the beginning of any fiscal year or other period, the Association's Board may, by adoption of a resolution (the "Patronage Resolution"), obligate the Association to distribute as patronage dividends, as defined in Code Section 1388, to Patrons on the basis of the quantity or value of patronage business done with the Association and its Subsidiaries, the available Patronage-Sourced Net Earnings for such fiscal year or other period, or for that and subsequent fiscal years. Patrons shall include Members and such other customers, borrowers and financial institutions with which the Association, PCA and/or FLCA conduct business during the fiscal year and as identified by the Board in the Patronage Resolution. Patronage-Sourced Net Earnings shall mean the pre-tax net earnings of the Association, PCA and FLCA for the fiscal year, as computed under generally accepted accounting principles, attributable to patronage business done with or for Patrons. All transactions done with or for Patrons shall be deemed patronage business unless otherwise provided in the Patronage Resolution. Patronage-Sourced Net Earnings shall also include taxable income from the retirement of any allocated equities in AgFirst, FCB. Any outstanding Patronage Resolution that is not rescinded prior to the beginning of a fiscal year shall become irrevocable and constitute a binding legal obligation of the Association with respect to such fiscal year. Each patronage transaction shall include as part of its terms, whether the same has been expressly referred to in said transaction or not, the provisions of this Article IX of the Bylaws.

Net earnings of any fiscal year shall be available for patronage distribution only after making the applications as required in subsections (a) through (e) of Section 910.1, including the setting aside of a portion of the net earnings in the unallocated surplus account, as deemed prudent for sound capital accumulation, and making provision for payment of the Association's federal income or related taxes for the fiscal year; provided, that, these amounts shall first come from net earnings, if any, attributable to sources other than patronage business and any non-patronage sourced net earnings not so applied shall be set aside in the unallocated surplus account. The Board in its resolution may establish a minimum level of available earnings and if the available earnings fall below this level no patronage distribution will be made.

950.2. Basis of Distribution - All patronage distributions shall be in the proportion that the amount of interest earned by the Association, PCA and FLCA on their loans to each Patron bears to the total interest earned by the Association, PCA and FLCA on all such loans outstanding during the fiscal year, or such other proportionate patronage basis as may be approved by the Board consistent with the requirements of Subchapter T of the Code. Any earnings pools that may be established for the payment of patronage distributions shall be established on a rational and equitable basis and shall ensure that each Patron of the Association receives its fair share of earnings and bears its fair share of expenses. The Board shall retain discretion not to pay patronage distributions on one or more such pools provided Patrons are treated equitably and fairly.

950.3. If the Association will meet its capital adequacy standards after making the patronage distributions, the patronage distributions may be in cash, authorized stock of the Association, allocations of earnings retained in an allocated surplus account, or any one or more of such forms of distribution. Patronage distributions of the Association's earnings may be paid on either a qualified or nonqualified basis, or a combination of both, as determined by the Board. All qualified notices of allocated surplus shall satisfy the definition of a "qualified written notice of allocation" as defined in Section 1388 of the Code. All nonqualified notices of allocated surplus shall satisfy the definition of a "nonqualified written notice of allocation" as set forth in Section 1388 of the Code. Any part of a patronage distribution in stock to one borrower that is not a multiple of \$5.00 may be distributed in cash or held by the Association for the borrower and included in a subsequent distribution.

950.4. If a borrower is in default, any part of the patronage distribution to that borrower, except for the minimum amount that must be paid in cash to qualify the distribution as a deduction for Federal income tax purposes, may, at the discretion of the Association, be applied against the borrower's indebtedness to the Association, PCA and FLCA.

In the event that the total patronage distribution to a Patron is less than the minimum amount as determined annually by the Board, prior to the end of the taxable year, such distribution may be (i) paid entirely in cash, (ii) applied to the Patron's indebtedness; or (iii) be retained by the Association.

950.5. Patron's Consent to Take Patronage Distribution into Income - Each holder of voting stock shall, by such act of membership and receipt of a copy of this By-Law article, consent that the amount of any distributions with respect to patronage which are made in, or evidenced by, qualified written notices of allocation, as defined in Code Section 1388, including allocations of surplus and patronage refunds paid in stock, and which are received by him or her from the Association, will be taken into account as income by such person at the stated dollar amount in the manner provided in Code Section 1385(a) in the taxable year in which such qualified written notices of allocation are received. Such holder also consents by such act alone, to take into account as income in the same manner the amount of any distributions with respect to patronage provided he or she receives written notice that such amount has been applied on his or her indebtedness to the Association, PCA or FLCA. Each such holder further consents that the amount of any distributions with respect to his or her patronage which are made in, or evidenced by, nonqualified written notices of allocation (as defined in Code Section 1388) will be taken into account (as income) by the holder in the taxable year in which such nonqualified written notices of allocation are redeemed. Consent under this paragraph shall be continuing in effect, but shall cease to be effective with respect to patronage of a distributee occurring after the distributee has ceased to hold voting stock of the Association.

950.6. The Association may obtain the written consent of each Patron that the amount of any distributions with respect to such party's patronage, which are made in, or evidenced by, qualified written notices of allocation (as defined in Code Section 1388), including patronage allocation of surplus account, patronage refunds paid in stock or distributions with respect to patronage that has been applied to the Patron's indebtedness to the Association, PCA or FLCA and for which the Patron has received written notice, will be taken into account (as income) by the Patron at their stated dollar amounts in the manner provided for in Code Section 1385(a) in the taxable year in which such qualified written notices of allocation are received by the Patron. The Association may further obtain the written consent of each Patron that the amount of any distributions with respect to such party's patronage which are made in, or evidenced by, nonqualified written notices of allocation (as defined in Code Section 1388), will be taken into account (as income) by such party in the taxable year such nonqualified written notices of allocation are redeemed. The form of consent shall be prescribed by the Board and shall be

continuing in effect until revoked by the Patron, and it may be included as part of the loan application or other appropriate form signed by Patrons. Consent may also be obtained by use of a qualified check in the manner provided for in Code Section 1388.

950.7. PCA and FLCA - In the event of an Authorization Event under Section 210 hereof, where the Association arranges for the provision of credit and/or related services to its Patrons through PCA and/or FLCA, and such Patrons avail themselves of the arrangements made and maintained by the Association by borrowing or acquiring related services from PCA and/or FLCA, all net earnings or loss attributable to such provision of credit and/or related services shall be treated as net earnings or loss of the Association from business done with its Patrons and all business done with PCA and FLCA shall be treated as business done with the Association.

Article X Execution of Documents

1000 Transactions, Releases and Uniform Commercial Code Transactions

All documents required to be executed in connection with transactions with the Association, and all releases of security, including releases and satisfactions of judgments, subordination agreements, and all security agreements, financing, continuation and termination statements, and other writings relating to secured transactions within the meaning of the Uniform Commercial Code, may be executed in the name of the Association by the Chief Executive Officer or by the Chief Executive Officer's designee (who shall be identified by name in a report to the Board and recorded in the minutes of the Board meeting.) or pursuant to a resolution of the Board delegating such authority to other employees of the Association.

1010 Other Transactions

Bonds, contracts, conveyances, and all other documents, except checks and vouchers of the Association, shall be signed by the chief executive officer or other officer of the Association designated by resolution of the Board, and, when required, shall be attested to by such officer(s) or employee(s) as may be designated by the Board.

1020 Expenses and Checks

The chief executive officer or such employee(s) as may be designated by the chief executive officer or by resolution of the Board delegating such authority to other employees of the Association, shall, unless prior approval is required by the Board under its established policies, approve and pay all expenses of the Association, and shall sign all checks and vouchers issued by the Association.

Article XI Records and Reports

1100 Records

Copies of the organization papers of the Association, returns of Association elections, proceedings of all regular and special meetings of the Members, and of directors, the Bylaws and any amendments thereto, resolutions of the Board, and reports of all committees shall be recorded in the minute books of the Association. The Board shall adopt such rules as it may deem appropriate for the transaction of its business and shall keep permanent and accurate records and minutes of its acts and proceedings. Minutes of each meeting shall be signed by the chairman and secretary of such meeting. The foregoing materials, and such others as the Board may specify from time to time, shall be retained by the Association in accordance with the records retention program approved by the Board.

1110 Reports

The Association shall make available to each of its Members such reports as are required by the Act and Regulations and such other reports as the Board deems advisable. The financial statements included in each annual report of the Association shall be audited by independent accountants.

Article XII Unclaimed Property

1200 Unclaimed Property

The Association shall make diligent efforts to pay the proceeds of any retirement of Stock, Participation Certificates and accrued dividends to the owners thereof. If, after a period of five years from the date such funds become payable, the Association is unable to determine the address or whereabouts of the owners or the heirs and assigns of the owners, such funds may be transmitted to the State of Ohio, Department of Commerce, Unclaimed Funds division or as otherwise permitted, taken into income of

the Association unless other disposition is required by the Act, the Regulations, or applicable state law.

Article XIII Fiscal year

The fiscal year of the Association shall end on December 31st of each year.

Article XIV Seal

The Association may have such seal as the Board may determine.

Article XV Indemnification of Directors, Officers, Employees and Agents

1500 Indemnification

1500.1 The Association shall indemnify, to the fullest extent permitted by law, any director, officer or employee who is or was a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, by reason of the fact that he or she is or was a director, officer or employee of the Association, or is or was serving, pursuant to authorization in writing by the Association's Board or its chief executive officer or his or her delegate, as a director, officer, employee, partner, agent, administrator, advisor, fiduciary or member of another corporation, non-profit or cooperative organization, partnership, incorporated association, joint venture, trust, retirement or other employee benefit plan or other organization or entity, against expenses (including attorneys' fees), judgments, fines, penalties and amounts paid in settlement actually and reasonably incurred by him or her in connection with such action, suit or proceeding.

1500.2 The Association may indemnify any agent of the Association to the same extent as and under the same provisions applicable to directors, officers and employees, but only by specific action of and to the extent designated by the Board.

1500.3 As used in this Article, "party" means a defendant or respondent in an action, suit or proceeding.

1510 Additional Indemnification Provisions

Notwithstanding any other provision of this Article, a director, officer or employee of the Association who has been Wholly Successful, on the merits or otherwise, in the defense of any action, suit or proceeding referred to in Section 1500 of this Article to which he or she was a party shall be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with such action, suit or proceeding.

1520 Procedure

Any indemnification under Section 1500 of this Article (unless ordered by a court) shall be made by the Association only as authorized in each specific case upon a determination that indemnification of the director, officer or employee is proper in the circumstances. Such determination shall be made (1) by the Board by a majority vote of directors who were not parties to such action, suit or proceeding, even though less than a quorum, or (2) if such a majority is not obtainable (or, even if obtainable, if a majority of disinterested directors so directs), by independent legal counsel in a written opinion. For the purposes of this Section, independent legal counsel shall be selected by a majority of disinterested directors or, if such a majority is not obtainable, by the Board.

1530 Advances of Expenses

Notwithstanding the provisions of Section 1520, reasonable expenses incurred in defending any action, suit or proceeding referred to in Section 1500 of this Article, shall be paid by the Association in advance of the final disposition of such action, suit or proceeding, if the director, officer or employee shall undertake in writing to repay such amount to the extent that it is ultimately determined, as provided herein, that such person is not entitled to indemnification for such amount. Advances of expenses shall be made promptly and, in any event, within thirty days, upon the written request of the director, officer or employee. Notwithstanding the foregoing, no advance shall be made by the Association if and to the extent a determination is reasonably made pursuant to Section 1520 that the director, officer or employee is not entitled to indemnification for such expenses pursuant to Section 1500.

1540 Right of Claimant to Bring Suit

1540.1 If a claim for indemnification or advancement under this Article is not paid in full by the Association within thirty days after a written claim therefore has been received by the Association, the claimant may any time thereafter bring suit against the Association to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any proceeding in advance of its final disposition where the required undertaking has been tendered to the Association) that the claimant has not met the standards of conduct which make it permissible under the applicable law for the Association to indemnify the claimant for the amount claimed, but the burden of proving such defense shall be on the Association.

1540.2 Neither the failure of the Association (including its Board or independent legal counsel) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he/she has met the applicable standard of conduct, nor an actual determination by the Association (including its Board or independent legal counsel) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that the claimant has not met the applicable standard of conduct.

1550 Contractual Rights

The right to be indemnified or to the reimbursement or advancement of expenses pursuant to this Article (i) is a contract right based upon good and valuable consideration, pursuant to which the person entitled thereto may bring suit as if the provisions hereof were set forth in a separate written contract between the Association and the director, officer or employee, (ii) is intended to be retroactive and shall be available with respect to events occurring prior to the adoption hereof, and (iii) shall continue to exist after the rescission or restrictive modification hereof with respect to events occurring prior thereto. However, this Article does not constitute a contract of employment or any terms and conditions of employment, and does not alter the employment status of any employee.

1560 Requested Service

Any director, officer or employee of the Association serving, in any capacity, (i) another entity of which a majority of the securities entitled to vote in the election of its directors or comparable executives is held directly or indirectly by the Association and/or other Farm Credit System entities, (ii) any employee benefit plan of the Association or of any entity referred to in clause (i) above, or (iii) any committee, subcommittee, special asset group or other similar body related to the Farm Credit System, shall be deemed to be doing so pursuant to authorization in writing by the Association's Board.

1570 Other Rights

The indemnification and advancement of expenses provided by this Article shall not be deemed exclusive of any other rights to which those seeking indemnification or advancement of expense may be entitled under any insurance or other agreement, vote of directors or otherwise, both as to actions performed in their official capacities and as to actions in another capacity while holding office, and shall continue as to a person who has ceased to be a director, officer or employee and shall inure to the benefit of the heirs, executors and administrators of such person. The Association may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the association, or who is or was serving in any of the capacities referred to in Section 1500 of these Bylaws, against any liability asserted against such person or incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the association would have the power to indemnify the person against such liability under the other provisions of this Article.

Notwithstanding the foregoing, the Association may not indemnify directors, officers, employees, or agents against expenses, penalties, or other payments incurred as a result of an administrative proceeding or action instituted by the FCA which results in a final order assessing civil money penalties personally against such individual(s) or requiring affirmative action by such individual(s) to make payments to the Association.

Article XVI Amendments

1600 Amendments in General

Except as provided below, these Bylaws may be altered, amended or repealed and new Bylaws may be adopted by the affirmative vote of a majority of the entire membership of the Board at any meeting of the Board with respect to which notice of intention to alter, amend, repeal or adopt new Bylaws at such meeting has been given, and which notice includes a copy of the proposed amendment(s).

1610 Amendments Affecting Capitalization

Any amendment to Articles VIII and IX of these Bylaws or to the capitalization Bylaws of PCA or FLCA, other than those of a strictly technical nature not affecting substantive rights, shall not become effective unless approved by Voting Stockholders at a duly authorized meeting of the Members.

1620 Effective Date

These Amended and Restated Bylaws shall become effective as of April 23, 2023 and the Bylaws and amendments thereto in effect prior to said date are hereby amended and restated in their entirety.

CERTIFICATION

I, the undersigned, corporate secretary of Ag Credit, ACA, hereby certify that at a meeting duly held on the 26th day of April, 2023, the Board of Directors of said association duly adopted the foregoing Amended and Restated Bylaws.

Daniel E. Ebert, Secretary
