

Getting Your Farm & Family Affairs in Order David Marrison, Associate Professor

The emotional loss of a loved one is an extremely difficult time for families; especially for farm families. We can make it easier by having all our important information summarized in one document.

This planning document allows you to summarize your assets and how each is owned, valued, and titled. This information along with liabilities will be needed by your attorney or estate planning professional as you plan your estate.

The location of important documents and agreements can be listed as well as a summary of farm and personal advisors. Your personal wishes for your funeral can also be expressed. The information also will be helpful to your executor(s) as they settle your estate:

Inputting Data

The document has been designed in a writeable format. To complete the forms, simply click inside the boxes and type in the appropriate information. You may also print the forms off and fill them in by hand.

Saving the Document

To save your work, go to the **File** Menu and select **Save As**. Rename the file using a unique file name with the date the document was updated. By renaming the file, you will still have access to a blank copy for future recordings. Save the document to a secure location on your desktop or to a jump drive. It is recommended that you

save the file in two locations for backup purposes. It is also recommend that you password protect the document.

Safeguarding the Information:

When you are finished with your entries, print the completed document. Due the confidential information contained in the document, it is recommended it be placed in a secure location such as your lawyer's office or a safe deposit box.

It is important that your spouse and ancestors know where the document is and have been given permission to access it in the case of an emergency or death.

Questions:

For questions on this document or to have an electronic copy mailed to you, contact your local OSU County Extension office or email David Marrison, OSU Extension at marrison.2@osu.edu or 440-576-9008.
